Management Committee

HYFC Management Committee oversees the running of the centre. Keeping the vision, making sure the centre continues to run and take the good news relevantly to all young people in the Heartland area. Committee members are usually elected at the HYFC AGM, however members can be co-opted by the current committee.

Single club/part-time volunteer

If you can offer a couple of hours every week, or even every two there are a number of ways you can get involved in the work of YFC; from helping run clubs to delivering assemblies to publicity, or administration work.

Full time/year-out volunteer

We also offer full-time and year out volunteering opportunities in the centre, where you can get involved in youth work and YFC's mission to take Good News relevantly to all young people in the HYFC area. In 2007-8 we will be preparing for and participating in the Hope 2008 campaign.
